It is reported that the tract is in such an impoverished condition that the ryots are not able to pay their share of contribution.

I therefore request that Government may be pleased to sanction, the waiving of contribution payable by the ryots for these two works.

I have the honour to be,

MAN.

Letter No.O.C.1840/22-23 dated 23rd October 1924 from the Deputy Commissioner,Tumkur District to the Revenue Commissioner in Mysore.

---

In forwarding herewith two village Improvement estimates one amounting to Rs.55/- for improving Gokatte at Arasapura and the other amounting to Rs.40/- for digging pits in the same village in the Koratagere Sub Taluk, I have the honour to state that the Sub Division Officer, Maddagiri reports that the tract is in so much impoverished condition that the ryots have not been able to pay up the required contribution and that the contribution due from them might be waived.

2. Though Koratagere is not now included in the affected area the concession recommended by the Sub Division Officer seems to be desirable. I request therefore that the contribution due from the ryots may kindly be waived and the estimates returned early so that they may be started early to engage the cooly class.
